
Video Packages for Website Marketing, Creating Massive Online Success

“How To Affordably Combine a Compelling Marketing Message with Latest Innovations to Sky Rocket Your Search Engine Rankings, literally overnight”

You have already seen the powerful effect of Online Video Creator on converting leads and sales in your website.

You’ve witnessed how to exponentially explode your traffic, positioning and rankings by virally marketing your video.

What do you get if you combine the two? MASSIVE ONLINE RESULTS IMMEDIATELY!!

If you are ready to fast track your website growth, then an Advanced Video Creator package is for you.

We have put together two special deals to make it so easy and affordable to exploit the new mega-trends of Web 2.0, embrace the power of Online Videos currently sweeping cyber space and transforming the Internet landscape forever.

We also combine it with leading edge Search Engine Optimisation reports and techniques, that as a stand-alone service, you could pay hundreds, if not thousands of dollars for.

Both the Silver and Gold Video Creator packages include either the two minute Online Video Creator package, or a two minute filmed Sound Byte Video, with the Videos Go Viral Package.

In addition, you can chose which Optimisation Reports will help you to hone in on your target market with the effect of a speeding bullet. It really depends on how much you value your track and measure information to guide you to faster and effective business growth.

Yes! I'm ready to Virally Market my very own Online Video,

and understand my website positioning

Yes! I'm ready to Virally Market my very own Online Video,

and have a Qualified SE Expert Optimise my Key Website Data

-

I understand no search engine position can ever be guaranteed, and can depend upon the level of competition within your niche

-

I understand you can work to maximise my site exposure if I chose to implement your recommendations within the Mini Site Makeover

-

I understand that my investment is fully backed by your 30 day money-back guarantee

Videos Videos Outrageous GUARANTEE

You RISK absolutely nothing by saying YES to an Advanced Video Creator Package right now. As an Online Video Expert, I know how to combine the latest innovations with a proven marketing formula to create powerful scripts and videos that work EVERY TIME.

In fact, if a Silver or Gold Video Creator Package does not dramatically increase your traffic, leads and sales, I personally guarantee to rewrite your script, continue to virally market your video, and use leading edge search engine strategies until you see proven results.

If after 30 days, you still see no improvement in your search engine rankings and traffic, I will refund your money in full

There is simply no more affordable or effective way to leverage the new technology and its ability to sky rocket your online success that with an Advanced Online Video Creator package.

So order your Package today, and let's get your site on the map!
